

Waste Connections Announces Dates for Second Quarter 2006 Earnings Release and Investment Conference Presentation

PRNewswire-FirstCall
FOLSOM, Calif.

Waste Connections, Inc. announced that it will report financial results for the second quarter of 2006 after the close of the stock market on July 26, 2006. The Company will be hosting a conference call related to these results on July 27th at 10:00 A.M. Eastern Time.

To access the call, listeners should dial 800-299-0148 (domestic) or 617-801-9711 (international) approximately 10 minutes prior to the scheduled start time and ask the operator for the Waste Connections conference call, Passcode # 66648313. A replay of the conference call will be available until August 3, 2006, by calling 888-286-8010 (domestic) or 617-801-6888 (international) and entering Passcode # 75916618.

The call also will be broadcast live over the Internet at www.streetevents.com or through a link on our web site at www.wasteconnections.com. A playback of the call will be available at both of these websites. Copies of financial literature, including this release, are available on the Waste Connections web site at www.wasteconnections.com or through contacting us directly at 916-608-8200.

Waste Connections also announced that executives of the Company currently plan on attending and presenting at the following investment conference during the third quarter of 2006:

September 18th Bank of America 36th Annual Investment Conference
(San Francisco)

Although this presentation is not expected to include any material non-public information, the Company will post the presentation slides on its web site. The slides will be posted some time during the 24-hour period prior to the scheduled presentation time. The slides may be accessed via the Investor Relations section of the Company's corporate web site.

Waste Connections, Inc. is an integrated solid waste services company that provides solid waste collection, transfer, disposal and recycling services in mostly secondary markets in the Western and Southern U.S. The Company serves more than one million residential, commercial and industrial customers from a network of operations in 23 states. The Company also provides intermodal services for the movement of containers in the Pacific Northwest. Waste Connections, Inc. was founded in September 1997 and is headquartered in Folsom, California.
