

Waste Connections Announces Addition to Its Board of Directors

PRNewswire-FirstCall
FOLSOM, Calif.

Waste Connections, Inc. today announced that Edward E. "Ned" Guillet has joined its Board of Directors. From 1974 to 2006, Mr. Guillet served in a broad range of leadership positions with The Gillette Company, now the Gillette Global Business Unit of The Procter & Gamble Company, including as its Senior Vice President, Human Resources, since 2001. He holds a B.A. degree in English Literature and Secondary Education from Boston College.

"We are extremely pleased that Ned has joined our Board," said Ronald J. Mittelstaedt, Chairman and Chief Executive Officer. "His broad experience in developing world-class organizations will complement and expand the existing strengths of our Board."

Waste Connections, Inc. is an integrated solid waste services company that provides solid waste collection, transfer, disposal and recycling services in mostly secondary markets in the Western and Southern U.S. The Company serves more than one million residential, commercial and industrial customers from a network of operations in 22 states. The Company also provides intermodal services for the movement of containers in the Pacific Northwest. Waste Connections, Inc. was founded in September 1997 and is headquartered in Folsom, California. For more information, visit the Waste Connections web site at www.wasteconnections.com.

Certain statements contained in this press release are forward-looking in nature. These statements can be identified by the use of forward-looking terminology such as "believes," "expects," "may," "will," "should," "anticipates," or the negative thereof or comparable terminology, or by discussions of strategy. Waste Connections' business and operations are subject to a variety of risks and uncertainties and, consequently, actual results may differ materially from those projected by any forward-looking statements. These risks and uncertainties, as well as others, are discussed in greater detail in Waste Connections' filings with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K. There may be additional risks of which Waste Connections is not presently aware or that it currently believes are immaterial which could have an adverse impact on its business. Waste Connections makes no commitment to revise or update any forward-looking statements in order to reflect events or circumstances that may change.
