

Waste Connections Completes LeMay Acquisition

PRNewswire-FirstCall
FOLSOM, Calif.

Waste Connections, Inc. today announced that it has completed the acquisition of Harold LeMay Enterprises, Incorporated ("LeMay"). Founded in 1942, LeMay is the largest privately-owned solid waste services company in the Pacific Northwest, providing solid waste collection, recycling and transfer services, a majority of which are under exclusive G Certificates in the State of Washington.

Waste Connections also announced that it has acquired from entities affiliated with LeMay the remaining interests in Pierce County Recycling, Composting and Disposal, LLC and Pierce County Landfill Management, Inc., a provider of solid waste disposal, transfer, recycling and composting services, both of which were previously majority-owned subsidiaries of Waste Connections.

Waste Connections, Inc. is an integrated solid waste services company that provides solid waste collection, transfer, disposal and recycling services in mostly secondary markets in the Western and Southern U.S. The Company serves more than 1.5 million residential, commercial and industrial customers from a network of operations in 23 states. The Company also provides intermodal services for the movement of containers in the Pacific Northwest. Waste Connections, Inc. was founded in September 1997 and is headquartered in Folsom, California.
