

## Waste Connections Announces Dates For Fourth Quarter 2016 Earnings Release And 2017 Outlook

TORONTO, Jan. 23, 2017 /PRNewswire/ -- Waste Connections, Inc. (TSX / NYSE: WCN) announced that it will report financial results for the fourth quarter of 2016 and outlook for the full year 2017 after the close of the stock market on February 21, 2017. The Company will be hosting an investor conference call related to this release on February 22<sup>nd</sup> at 8:30 A.M. Eastern Time.

To access the call, listeners should dial 800-708-3128 (within North America) or 303-223-4382 (international) approximately 10 minutes prior to the scheduled start time and ask the operator for the Waste Connections conference call (a Passcode is not required). A replay of the conference call will be available until March 1, 2017, by calling 800-633-8284 (within North America) or 402-977-9140 (international) and entering Passcode # 21843031.

The call will also be broadcast live over the Internet through a link on our website at [www.wasteconnections.com](http://www.wasteconnections.com). A playback of the call will be available on our website. Copies of financial literature, including this release, are available on the Waste Connections website at [www.wasteconnections.com](http://www.wasteconnections.com) or through contacting us directly at 832-442-2200.

Waste Connections also announced that executives of the Company currently plan on presenting at the following events during the first quarter of 2017:

- Jan 26<sup>th</sup> - 27<sup>th</sup> CIBC Institutional Investor Conference (Whistler, BC)
- Mar 6<sup>th</sup> Raymond James Institutional Investor Conference (Orlando)
- Mar 8<sup>th</sup> CIBC Industrials Conference (Toronto)
- Mar 16<sup>th</sup> Gabelli Waste & Environmental Symposium (NYC)

Although these presentations are not expected to include any material non-public information, the Company will post the presentation slides on its web site at [www.wasteconnections.com](http://www.wasteconnections.com) under the tabs titled Investor Presentations and Investor Relations. The slides will be posted some time during the 24-hour period prior to the scheduled presentation time.

Waste Connections is an integrated solid waste services company that provides waste collection, transfer, disposal and recycling services in mostly exclusive and secondary markets in the U.S. and Canada. Through its R360 Environmental Solutions subsidiary, Waste Connections is also a leading provider of non-hazardous oilfield waste treatment, recovery and disposal services in several of the most active natural resource producing areas in the United States, including the Permian, Bakken and Eagle Ford Basins. Waste Connections serves more than six million residential, commercial, industrial, and exploration and production customers in 40 states and the District of Columbia in the U.S., and five provinces in Canada. The Company also provides intermodal services for the movement of cargo and solid waste containers in the Pacific Northwest.
