

Waste Connections Announces Rebranding of Canadian Operations

TORONTO, ONTARIO, March 9, 2017 - Waste Connections, Inc. (TSX/NYSE: WCN) ("Waste Connections" or the "Company") today announced that it will rebrand its operations in Canada from Progressive Waste Solutions to Waste Connections of Canada. The rebranding follows the June 1, 2016 all-stock business combination of the Company (formerly named Progressive Waste Solutions Ltd.) and Waste Connections US, Inc. (formerly named Waste Connections, Inc.).

"This is a very exciting change for our employees," said Dan Pio, President—Canadian operations. "We are proud to be rebranding our business operations in Canada to better align them with the Waste Connections brand and its high correlation with safety, corporate culture, integrity and customer service. The tireless efforts of our talented and dedicated employees have garnered significant customer loyalty and support throughout the years, and we believe Waste Connections of Canada is well positioned for continued growth and success in the communities we serve."

The roll out of the new brand identity, Waste Connections of Canada, and logo depicted below will begin immediately, with the full transition throughout the Company's Canadian operations expected to take place over the next 12 to 16 months.

About Waste Connections

Waste Connections is an integrated solid waste services company that provides waste collection, transfer, disposal and recycling services in mostly exclusive and secondary markets in the United States and Canada. Through its R360 Environmental Solutions subsidiary, Waste Connections is also a leading provider of non-hazardous oilfield waste treatment, recovery and disposal services in several of the most active natural resource producing areas in the United States, including the Permian, Bakken and Eagle Ford Basins. Waste Connections serves more than six million residential, commercial, industrial, and exploration and production customers in 40 states and the District of Columbia in the U.S., and five provinces in Canada. Waste Connections also provides intermodal services for the movement of cargo and solid waste containers in the Pacific Northwest.
