March 5 th	Raymond James Annual Institutional Investors Conference (Orlando, FL)

The Company will post any presentation slides on its website at www.wasteconnections.com under the tabs titled Investor Presentations and Investor Relations. The slides will be posted during the 24-hour period prior to the scheduled presentation time.

About Waste Connections

Waste Connections is an integrated solid waste services company that provides waste collection, transfer, disposal and recycling services in mostly exclusive and secondary markets in the U.S. and Canada. Through its R360 Environmental Solutions subsidiary, Waste Connections is also a leading provider of non-hazardous oilfield waste treatment, recovery and disposal services in several of the most active natural resource producing areas in the United States, including the Permian, Bakken and Eagle Ford Basins. Waste Connections serves more than six million residential, commercial, industrial, and exploration and production customers in 41 states in the U.S., and six provinces in Canada. The Company also provides intermodal services for the movement of cargo and solid waste containers in the Pacific Northwest.
