

WASTE CONNECTIONS REPORTS THIRD QUARTER 2021 RESULTS AND RAISES FULL YEAR OUTLOOK

- Strong execution, accelerating solid waste pricing growth and continued strength in both resource recovery values and acquisition activity again drive outsized results and increased full year outlook
- Revenue of \$1.597 billion, up 14.9% year over year, exceeding outlook
- Reports organic growth of 11.3%, including 7.3% solid waste price + volume growth, exceeding outlook
- Net income^(a) of \$114.4 million, and adjusted EBITDA^(b) of \$505.6 million, or 31.7% of revenue, up sequentially from Q2 and up 60 basis points year over year
- Net income and adjusted net income^(b) of \$0.44 and \$0.89 per share, respectively
- Year to date net cash provided by operating activities of \$1.270 billion and adjusted free cash flow^(b) of \$825.8 million, or 18.2% of revenue
- Year to date closed acquisitions of approximately \$240 million in annualized revenues
- Increases regularly quarterly dividend by 12.2%
- Provides full year 2021 revenue outlook of approximately \$6.110 billion, net income of approximately \$633 million, adjusted EBITDA^(b) of approximately \$1.910 billion, net cash from operating activities of approximately \$1.689 billion and adjusted free cash flow of approximately \$1.025 billion

TORONTO, ONTARIO, October 27, 2021 - Waste Connections, Inc. (TSX/NYSE: WCN) (“Waste Connections” or the “Company”) today announced its results for the third quarter of 2021.

“We delivered another top to bottom beat in the period on continued strength in solid waste pricing, higher recycled commodity values, and improving E&P waste activity, along with acquisitions closed during the period. More importantly, quality of revenue drove 60 basis points year-over-year adjusted EBITDA^(b) margin expansion in the quarter, overcoming an estimated 40 basis points impact from margin dilutive acquisitions and hurricanes, putting us firmly on track to exceed the updated full year 2021 outlook we provided in August,” said Worthing F. Jackman, President and Chief Executive Officer.

“Strong execution, proactive acceleration of solid waste pricing to address inflationary pressures, and outsized contribution from acquisitions completed in 2021, already position us for double-digit growth, underlying solid waste margin expansion and strong free cash flow conversion in 2022. Additional acquisitions expected to be completed later this year, and any continuation of trends in E&P waste activity or commodity-driven revenues, would provide incremental benefit.”

Mr. Jackman continued, “As anticipated, the strength of our operating performance, free cash flow generation and balance sheet positioned us for another double-digit increase in our quarterly cash dividend, our eleventh straight year, demonstrating once again our ability to fund our differentiated growth strategy and outsized acquisition activity, along with an increasing return of capital to shareholders.”

Q3 2021 Results

Revenue in the third quarter totaled \$1.597 billion, up from \$1.390 billion in the year ago period. Operating income was \$285.1 million, which included \$5.6 million in acquisition-related costs, \$3.1 million of impairments and other operating items, and \$0.9 million in fair value accounting changes to equity awards. This compares to operating income of \$230.7 million in the third quarter of 2020, which included \$7.9 million of costs primarily resulting from impairments and other operating items and acquisition-related costs. Net income in the third quarter was \$114.4 million, or \$0.44 per share on a diluted basis of 261.1 million shares, including a net of tax loss on debt extinguishment associated with the prepayment of senior notes of \$84.2 million or \$0.32 per share. In the year ago period, the Company reported net income of \$158.0 million, or \$0.60 per share on a diluted basis of 263.5 million shares.

Adjusted net income^(b) in the third quarter was \$233.1 million, or \$0.89 per diluted share, versus \$188.6 million, or \$0.72 per diluted share, in the prior year period. Adjusted EBITDA^(b) in the third quarter was \$505.6 million and 31.7% of revenue, as compared to \$432.6 million and 31.1% of revenue in the prior year period. Adjusted net income, adjusted net income per diluted share and adjusted EBITDA, all non-GAAP measures, primarily exclude impairments and acquisition-related items, as reflected in the detailed reconciliations in the attached tables.

Nine Months Year to Date Results

For the nine months ended September 30, 2021, revenue was \$4.527 billion, up from \$4.048 billion in the year ago period. Operating income, which included \$9.8 million in impairments and other operating items, \$7.6 million in fair value accounting changes to equity awards and \$6.2 million in acquisition-related costs, was \$790.3 million, as compared to operating income of \$215.3 million for the same period in 2020, which included \$453.1 million primarily related to impairments and other operating items.

Net income for the nine months ended September 30, 2021 was \$451.7 million, or \$1.72 per share on a diluted basis of 261.9 million shares. In the year ago period, the Company reported net income of \$74.0 million, or \$0.28 per share on a diluted basis of 263.7 million shares.

Adjusted net income^(b) for the nine months ended September 30, 2021 was \$629.5 million, or \$2.39 per diluted share, compared to \$517.2 million, or \$1.96 per diluted share, in the year ago period. Adjusted EBITDA^(b) for the nine months ended September 30, 2021 was \$1.424 billion and 31.4% of revenue, up from \$1.235 billion and 30.5% of revenue in the prior year period.

Updated 2021 Outlook

Waste Connections also updated its outlook for 2021, which assumes no change in the current economic environment or underlying economic trends, including as a result of or related to impacts from the COVID-19 pandemic. The Company's outlook excludes any impact from additional acquisitions that may close during the year, and expensing of transaction-related items. The outlook provided below is forward looking, and actual results may differ materially depending on risks and uncertainties detailed at the end of this release and in our periodic filings with the U.S. Securities and Exchange Commission and the securities commissions or similar regulatory authorities in Canada. Certain components of the outlook for 2021 are subject to quarterly fluctuations. See reconciliations in the attached tables.

- Revenue is estimated at approximately \$6.110 billion, as compared to our revised revenue outlook of \$5.975 billion provided in August.
- Net income is estimated at approximately \$633 million, and adjusted EBITDA^(b) is estimated at approximately \$1.910 billion, or about 31.3% of revenue, as compared to our revised adjusted EBITDA^(b) outlook of \$1.875 billion provided in August.
- Capital expenditures are estimated at approximately \$700 million, as compared to our revised capital expenditures outlook of approximately \$675 million provided in August.
- Net cash provided by operating activities is estimated at \$1.689 billion, as compared to our revised outlook of \$1.666 billion provided in August; adjusted free cash flow^(b) is estimated at approximately \$1.025 billion, or about 16.8% of revenue, as compared to our adjusted free cash flow outlook of \$1.0 billion provided in August.

About Waste Connections

Waste Connections is an integrated solid waste services company that provides non-hazardous waste collection, transfer and disposal services, along with resource recovery primarily through recycling and renewable fuels generation. The Company serves more than eight million residential, commercial and industrial customers in mostly exclusive and secondary markets across 44 states in the U.S. and six provinces in Canada. Waste Connections also provides non-hazardous oilfield waste treatment, recovery and disposal services in several basins across the U.S., as well as intermodal services for the movement of cargo and solid waste containers in the Pacific Northwest. For more information, visit Waste Connections at wasteconnections.com.

Environmental, Social and Governance

Waste Connections views its Environmental, Social and Governance ("ESG") efforts as integral to its business, with initiatives consistent with its objective of long-term value creation. In 2020, the Company introduced long-term, aspirational ESG targets and committed over \$500 million for investments to meet or exceed such sustainability targets. These investments primarily focus on reducing emissions, increasing resource recovery of both recyclable commodities and clean energy fuels, reducing reliance on off-site disposal for landfill leachate, further improving safety through reduced incidents and enhancing employee engagement through improved voluntary turnover and Servant Leadership scores. The Company's updated 2021 Sustainability Report provides progress updates on its targets and investments towards their achievement. For more information, visit the Waste Connections website at wasteconnections.com/sustainability.

NON-GAAP RECONCILIATION SCHEDULE
(in thousands of U.S. dollars, except where noted)

Reconciliation of Adjusted EBITDA:

Adjusted EBITDA, a non-GAAP financial measure, is provided supplementally because it is widely used by investors as a performance and valuation measure in the solid waste industry. Management uses adjusted EBITDA as one of the principal measures to evaluate and monitor the ongoing financial performance of Waste Connections' operations. Waste Connections defines adjusted EBITDA as net income attributable to Waste Connections, plus or minus net income (loss) attributable to noncontrolling interests, plus income tax provision, plus interest expense, less interest income, plus depreciation and amortization expense, plus closure and post-closure accretion expense, plus or minus any loss or gain on impairments and other operating items, plus other expense, less other income. Waste Connections further adjusts this calculation to exclude the effects of other items management believes impact the ability to assess the operating performance of its business. This measure is not a substitute for, and should be used in conjunction with, GAAP financial measures. Other companies may calculate adjusted EBITDA differently.

Reconciliation of Adjusted Free Cash Flow:

Adjusted free cash flow, a non-GAAP financial measure, is provided supplementally because it is widely used by investors as a valuation and liquidity measure in the solid waste industry. Management uses adjusted free cash flow as one of the principal measures to evaluate and monitor the ongoing financial performance of Waste Connections' operations. Waste Connections defines adjusted free cash flow as net cash provided by operating activities, plus or minus change in book overdraft, plus proceeds from disposal of assets, less capital expenditures for property and equipment and distributions to noncontrolling interests. Waste Connections further adjusts this calculation to exclude the effects of items management believes impact the ability to assess the operating performance of its business. This measure is not a substitute for, and should be used in conjunction with, GAAP liquidity or financial measures. Other companies may calculate adjusted free cash flow differently.

Reconciliation of Adjusted Net Income attributable to Waste Connections and Adjusted Net Income per Diluted Share attributable to Waste Connections:

Adjusted net income attributable to Waste Connections and adjusted net income per diluted share attributable to Waste Connections, both non-GAAP financial measures, are provided supplementally because they are widely used by investors as a valuation measure in the solid waste industry. Management uses adjusted net income attributable to Waste Connections and adjusted net income per diluted share attributable to Waste Connections as one of the principal measures to evaluate and monitor the ongoing financial performance of Waste Connections' operations. Waste Connections provides adjusted net income attributable to Waste Connections to exclude the effects of items management believes impact the comparability of operating results between periods. Adjusted net income attributable to Waste Connections has limitations due to the fact that it excludes items that have an impact on the Company's financial condition and results of operations. Adjusted net income attributable to Waste Connections and adjusted net income per diluted share attributable to Waste Connections are not a substitute for, and should be used in conjunction with, GAAP financial measures. Other companies may calculate these non-GAAP financial measures differently.
